Sri J. P. SARWESH.—May I know the reason why no work is taken up ?

† Sri T. SUBRAMANYA.—Because the scheme under which the ex-Hyderabad sanctioned this water supply, is not available to us. We have addressed the Andhra Government but we were not able to get a reply. If the Municipality is prepared to accept our scheme and take the loan amount, then certainly we will consider it very sympathetically.

Sri Y. VEERAPPA.—Have the Andhra Government written that they are not in possession of the scheme ?

Sri T. SUBRAMANYA.—I addreassed the Andhra Government in 1956 and no reply is received in spite of several reminders.

For that purpose, an estimate has been prepared for 3 lakhs The original estimate was for two lakhs. The pattern of assistance that was committed to by the old Hyderabad Government is not available with us.
